Epitaph: This was found in a record of epitaphs written in an unidentified year that indicates that Susana Loockerman and maybe several babies are in the same grave. One baby, Mary, may have belonged to Mary and Charles Inglis. Currently we have "Susana" Loockerman next to her husband Vincent Loockerman in G 36, and her son Vincent Loockerman Jr. in G 34, with Mary Inglis in G 67. I am including the following in each of their records until we discover the correct locations. – Ellen Richardson
