Birth date: 1728 Death date: January 10, 1760 Burial Date: Age: 31-32  
b. Somerset County, MD

**This are 2 unmarked burial: south of 33 E1 and 34 E1, according to the GPR Survey of 2021. One of these is probably David Leach. It is a colonial grave. This area of the cemetery was surveyed and marked out after this burial, which may explain this grave being out of the boundary of the lot. A tree grew in that area between these 2 unmarked burials. The tree stump was ground out in 2019, but no stone was found. The exact location of David Leach is unclear since the stone has disappeared. He is attributed to 33 E2 and 34 E2.**
